User's Manual

WIRELESS CHARGER

CE FC RoHS

Product introduction

The SINOX SXi0820 Wireless Charger combines modern wireless charging technology with a cool design. The SXi0820 works with any Qi™ compatible Mobile Phone or devices which can be charged wirelessly.

Product appearance

Suitable Devices

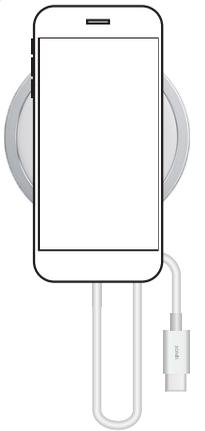

1. This product will work with any device with built-in Wireless Receiving Technology. For example most modern Smart Phones and devices.
Please check whether your phone/device has Qi™ compatibility.

Instructions

1. Plug the USB-C™ plug of the fixed cable into a Wall Charger, Laptop / or PC.

2. Place the Phone or device flat on the circular base of the SXi0820. Charging will start automatically.

Included

SXi0820 15W Wireless Charger Pad - for Qi/MagSafe with fixed USB-C™ cable.

Product specifications

Input: 5V 2.0A, 9V 2.0A or 12V 1.5A
Output: 5W, 7.5W, 10W or 15W
Transmission distance: ≤8mm
Conversion rate: ≥73%
Product dimensions: Φ55x5mm

Warning

1. Please do not expose to water or excess moisture
2. Use only where the ambient temperature is between 0°C and 45°C.
3. Clean regularly and always disconnect from the Power Supply after charging.

Qi is a trademark of Wireless Power Consortium, registered in the United States and other countries.
iPhone is a trademark of Apple Inc., registered in the U.S. and others countries.

Brugervejledning

TRÅDLØS OPLADER

CE FC RoHS

Produkt introduktion

SINOX SXi0820 trådløse oplader kombinerer moderne trådløs opladerteknologi med smart design
SINOX SXi0820 virker med alle Qi™ kompatible smartphones eller andre enheder som kan oplades trådløst.

Produktudseende

Egnede enheder

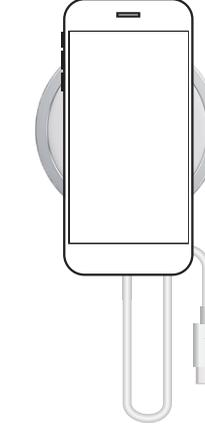

1. Dette produkt virker med alle enheder med indbygget trådløs opladningsmulighed. For eksempel de fleste nyere smartphones og tilhørende enheder.
Vær sikker på at den anvendte enhed understøtter den trådløse Qi™ teknologi.

Introduktion

1. Tilslut USB-C™ stikket i opladeren eller til en laptop / PC.

2. Placer telefonen eller anden enhed som skal oplades på den runde opladerplade.

Inkluderet

SXi0820 15W trådløs opladerpude - til Qi/MagSafe med fast USB-C™ kabel.

Produkt specifikationer

Input: 5V 2.0A, 9V 2.0A eller 12V 1.5A
Output: 5W, 7.5W, 10W eller 15W
Transmission distance: ≤8mm
Conversion rate: ≥73%
Dimensioner: Φ55x5mm

Advarsel

1. Udsæt aldrig elektronik for vand eller fugt.
2. Må ikke benyttes i frost eller høj varme.
Kun temperaturer mellem 0°C og 45°C.
3. Afbryd altid strømmen til opladeren under rengøring.
