WIRELESS CHARGER

Product introduction

The SINOX SXI0812 Wireless Charger combines modern wireless charging technology with a cool design.
The SXI0812 works with any Qi™ compatible Mobile Phone or devices which can be charged wirelessly.

Product appearance

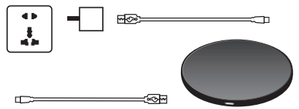

Suitable Devices

1. This product will work with any device with built-in Wireless Receiving Technology. For example Most Modern iPhone devices and Android Smart Phones or devices.
2. Please check whether your phone/device has Qi™ compatibility!

Instructions

1. Plug the USB plug of the supplied cable into a Wall Charger, Laptop or PC.

2. Connect the smaller USB C plug of the charging cable to the Wireless Charger SXI0812.

3. Place the Phone or device flat on the circular base of the SXI0812. Charging will start automatically. The blue light of the Charger will start to glow to indicate it is charging.

Included

SXI0812 Wireless Charger USB A-C Charging Cable

Product Specifications

Input: 5V/2.0A, 9V/2.0A or 12V/2.0A
Output: 5W, 7.5W, 10W or 15W
Transmission distance: ≤8mm
Conversion rate: ≥73%
Product dimensions: Φ100x6.5mm
Radio Operating frequency: 105–205 kHz

Warning

1. Please do not expose to water or excess moisture
2. Use only where the ambient temperature is between 0°C and 45°C
3. Clean regularly and always disconnect from the Power Supply after charging.

Qi is a trademark of Wireless Power Consortium, registered in the United States and other countries.
iPhone is a trademark of Apple Inc., registered in the U.S. and others countries.

Information on Product Disposal And Recycling

Please note that this product is marked with the following symbol: This means that the product must not be disposed of with regular household waste, as electrical and electronic waste must be collected and disposed of separately. According to the WEEE Directive, each member state must ensure proper collection, recovery, treatment, and recycling of electrical and electronic waste. Private households in the EU can return used equipment free of charge to designated recycling collection points.

In certain member states, it may also be possible, in some cases, to return used equipment to the retailer where you purchased it, provided you buy new equipment.

Contact your retailer, distributor, or local municipal authorities for further information on how to properly handle electrical and electronic waste.

EU Declaration of Conformity(RED)

Hereby, Sinox Europe A/S declares that this radio equipment is in compliance with Directive 2014/53/EU.
The full text of the EU declaration of conformity is available at the following internet address:

iPhone er et varemærke tilhørende Apple Inc., registreret i USA og andre lande.

Oplysninger om Bortskaffelse og Genbrug

Bemærk, at dette produkt er mærket med følgende symbol: (Dette symbol betyder, at produktet ikke må bortskaffes sammen med almindeligt husholdningsaffald, da elektrisk og elektronisk affald skal indsamles separat). I henhold til WEEE-direktivet skal hvert EU-land sikre korrekt indsamling, genanvendelse og håndtering af elektrisk og elektronisk affald.

Private husholdninger i EU kan gratis aflevere brugt udstyr på godkendte genbrugsstationer. I nogle medlemslande kan brugt udstyr returneres til forhandleren ved køb af et nyt produkt.

Kontakt forhandler, distributør eller lokale myndigheder for yderligere information om korrekt håndtering af elektrisk og elektronisk affald.

EU-overensstemmelseserklæring(RED)

Hermed erklærer Sinox Europe A/S, at dette radioudstyr er i overensstemmelse med direktiv 2014/53/EU.
Den fulde tekst til EU-overensstemmelseserklæringen findes på følgende internetadresse:
